

YASH GROUP

Corporate Social Responsibility Policy

At YASH Group, we are committed to responsible corporate citizenship and sustainable development. We strive to create a positive social, economic, and environmental impact in the communities where we operate, in alignment with statutory requirements and ethical practices.

To uphold this commitment, we shall:

- Support education and skill development through scholarships, infrastructure development, vocational training, and employability programs.
- Promote healthcare and sanitation, including health camps, preventive care, clean drinking water, and sanitation facilities.
- Advance environmental sustainability through tree plantation, green belt development, waste management, and renewable energy initiatives.
- Drive community development by supporting livelihood generation, women empowerment, and underprivileged groups.
- Plan, execute, and monitor all CSR activities through the CSR Committee, with oversight and approval by the Board of Directors.
- Allocate dedicated financial resources, employee volunteering, and technical expertise for CSR initiatives in line with the Companies Act, 2013.
- Ensure transparency, accountability, and measurable impact in all initiatives, with periodic reviews and reporting.
- Prepare an annual CSR report detailing initiatives undertaken, beneficiaries reached, and the associated cost breakdown.
- Integrate CSR into our business strategy to create sustainable value for society and the environment.

We are committed to continuously enhancing our CSR efforts to create lasting value for our communities, the environment, and all stakeholders.
